Can-Am Deploys custom Defender Recovery Rig during Glamis Halloween Weekend

The Can-Am Defender Recovery Rig will offer mobile, on-trail support at select Can-Am events.

Glamis, CA, October 27, 2026 – Can-Am, an iconic brand of BRP Inc., today unveiled its custom Defender Recovery Rig, a purpose-built technical recovery and support rig that will be deployed to support off-road enthusiasts attending the annual Halloween weekend gathering at the Imperial Sand Dunes (Glamis).

Engineered on the heavy-duty Can-Am Defender 6x6 Limited platform, the Defender Recovery Rig serves as an all-in-one mobile mechanical garage, recovery rig, and communications hub. Operating across Glamis hot spots, including Oldsmobile Hill, Old Wash Road, Osborne Overlook, and Competition Hill, the vehicle provides complimentary support to off-roaders regardless of vehicle brand.

Key Recovery Capabilities & Mobile Workshop Specifications

The Defender 6x6 Recovery Rig leverages its massive 6-foot conversion cargo bed and 3,000 lb towing capacity to house a comprehensive suite of field-repair and recovery gear. Equipped with genuine Can-Am accessories like the Kinetic Recovery Kit, a range of Linq racks and cargo boxes, and a full audio system, the Defender Recovery Rig is loaded with features. The build also includes Makita Tools and parts from Sandcraft and Metal FX.

Defender Recovery Rig features:

- **Wrecker-Style Recovery & Towing:** Equipped with dual front and rear high-capacity winches, heavy-duty snatch blocks, and kinetic recovery ropes for uprighting rolled side-by-sides and towing disabled machines through deep sand.
- **On-Site Diagnostics (B.U.D.S. 3):** Features on-board BRP Diagnostic Software (B.U.D.S. 3) to diagnose electronic fuel injection (EFI) fault codes, sensors, and system health in the field.
- **Desert Tire & Wheel Station:** Onboard high-CFM air compressor, high-volume air storage tank, rapid bead-lock tools, and heavy-duty plug kits for emergency tire seating, repairs, and refills.
- **High-Speed Satellite Connectivity:** Integrated roof-mounted Starlink terminal providing an open mobile Wi-Fi hotspot, allowing stranded drivers deep in cell-dead zones to message their camp, access trail maps, or coordinate emergency response.
- **Quick-Swap Trail Parts & Fluids:** Stocked with essential high-wear items including Rotax drive belts, radius rods, tie rods, A-arms, radiator patch kits, coolant, and complete mechanic tool chests.
- **Emergency Jump-Start & Power Supply:** Onboard auxiliary dual-battery management system with high-output jump starters to boost depleted 12V electrical systems.

Operated by the Can-Am Mobile Pit Crew, the Defender Recovery Rig will provide dedicated on-trail assistance across the dunes throughout Glamis Halloween weekend. Riders in need of field support can reach the team directly by texting (262) 888-3207. Service will operate daily from 9:00 a.m. to 6:00 p.m., Thursday, October 29 through Saturday, October 31.

Following Glamis, the Defender Recovery Rig will be on duty at the following events:

- 2027 King of the Hammers | Johnson Valley, CA
- 2027 Mud Nationals | Burkeville, TX
- 2027 UTV Takeover | Hurricane, UT
- 2027 Glamis Halloween | Imperial Sand Dunes, CA
